

THE 1<sup>ST</sup> CONGRESS OF GEOLOGISTS OF MONTENEGRO with international participation

**THE SECOND ANNOUNCEMENT REGARDING THE 1<sup>ST</sup> CONGRESS OF GEOLOGISTS OF MONTENEGRO WITH INTERNATIONAL PARTICIPATION AND INVITATION TO SUBMIT ABSTRACTS**

Budva, Montenegro  
Hotel Budva, Slovenian Coast, Budva 85310  
May 14<sup>th</sup>-16<sup>th</sup>2020.

<https://geozavod.co.me/en/congress/>

It is our great pleasure to inform you that the 1<sup>st</sup> Congress of Geologists of Montenegro with international participation will be held from 14<sup>th</sup>-16<sup>th</sup> May 2020. at "Budva" Hotel, Slovenian Coast, Budva and it will be organized by:

Public institution Geological Survey of Montenegro and  
Montenegrin Geological Society

The Congress has an international character with planned topics in fundamental and applied geology and with the aim of improving the knowledge and exchanging of experiences in different scientific disciplines, with particular emphasis on natural resources and their use in accordance with the principles of sustainable development.

The first two days will be reserved for lectures and poster presentations, while a geological excursion will be organized on 16<sup>th</sup> of May. The topics of the Congress are divided into two sections: fundamental and applied geology. A detailed program of Congress will be published after all abstracts have been received.

We invite you and your colleagues to submit your abstracts which will be presented at Congress.

The abstract submission deadline is 29<sup>th</sup> of February 2020. Abstracts can be submitted on-line at the Congress official website at the following address:

<https://geozavod.co.me/prijava-radova/>

We believe that the 1<sup>st</sup> Congress of Geologists of Montenegro with international participation will be an opportunity to meet colleagues from various countries, discuss professional and scientific problems in the field of geology and related sciences, assess the state of geological profession and science in Montenegro, as well as in the region, ways of solving challenges in the future, especially regarding the use of mineral resources, geohazards, water resources their use and protection, climate changes, etc., as well as for the established cooperation development and its extension.

# THE 1<sup>ST</sup> CONGRESS OF GEOLOGISTS OF MONTENEGRO with international participation

The Congress is organized by the Organizing Committee, which gathers geologists from Montenegro and the surrounding countries, representatives of ministries, institutions and companies from Montenegro and it is chaired by the Geological Survey director.

The Scientific Committee is composed of eminent scientists and university professors from Montenegro, as well as from the region countries with the task to review the submitted papers abstracts that will be presented at the Congress.

## **TIME AND PLACE OF THE VENUE**

Congress will be held from 14<sup>th</sup> -16<sup>th</sup> of May 2020. at the Hotel Budva, Slovenian Coast, Budva, Montenegro.

The sales department of the Budva Hotel in Budva, owned by UNIPROM LLC Niksic, which is one of the sponsors of this Congress, will be in charge of accommodation for the Congress participants.

Based on the agreement with the hotel management, participants book and pay for the accommodation by themselves.

The application for hotel accommodation is submitted to the sales department of the Budva Hotel in Budva, on the following e-mail: [sales@hotelbudva.me](mailto:sales@hotelbudva.me)

Upon request for booking, the sales department will provide you all information about the rented capacities including prices, method of booking and payment, cancellation policy as well as arranging transportation from the airport to the hotel.

Apart from the Budva Hotel, the following hotels are available to accommodate Congress participants: Moscow, Adria, Majestic, Tre Canne, Avala Resort, Fontana and Gufo Apartments.

The deadline for reservation of special accommodation terms is 10.04.2020. Hotels have limited accommodation.
